Description

RIVIERA 4400 SPORT YACHT (2008) – French Flag – VAT Paid – Located in the French Caribbean Elegance, performance and Australian refinement

The Riviera 4400 Sport Yacht perfectly embodies the craftsmanship of the renowned Australian shipyard Riviera, known worldwide for the strength, quality, and finishing of its yachts. Measuring 15 meters in length, this stylish and seaworthy sport yacht offers a timeless design, a high-performance hull, and a layout perfectly suited for comfortable cruising in tropical waters. This second-hand boat has been meticulously maintained and is fully equipped for cruising: air conditioning, generator, solar panels, high-end electronics, fully fitted galley, tender with engine, hydraulic bathing platform, and more. **Engines – Volvo IPS 600** Powered by two Volvo IPS 600 engines (435 HP each – inboard diesel with joystick), with approximately 1,100 hours of operation. The IPS system provides outstanding maneuverability and fuel efficiency. Both IPS units were replaced in 2023. Engine servicing has always been carried out by Volvo. **Interior Layout** The yacht features two cabins with five berths: a master cabin with a

double bed and a guest cabin with one double bed and one single bed. There are two bathrooms with electric toilets. The bright saloon includes a fully equipped kitchen with two refrigerators, a freezer, microwave, ceramic hob, and dishwasher. Three air conditioning units, a watermaker, wardrobe, water heater, and ample storage space make life onboard extremely comfortable. **Exterior and onboard comfort** Equipped with an electric hardtop, teak cockpit with seating and table, sun awning and full cockpit enclosure. At the bow, a large sunpad invites relaxation. The hydraulic bathing platform, plancha grill, ice maker, outdoor fridge, cockpit shower, swim ladder, rod holders, underwater lights, cockpit lighting, and speakers complete the comfort package. **Technical equipment and electronics** The yacht comes with an Onan 12 kVA generator, 300W solar panels, battery charger, converter, and 220V / 12V / 24V circuits. Additional equipment includes an electric windlass, trim tabs, windshield wipers, Raymarine autopilot, Garmin GPS 5215, Garmin depth sounder, fixed VHF, TV, stereo system, chain counter, and compass. **Tender and safety** Includes an Ultimate

260 tender with a Mercury 9.9 HP outboard engine. A 6-person life raft is also onboard. Antifouling and maintenance were completed in December 2024. **In summary** A versatile, reliable, and elegant yacht, ideal for two couples or a family seeking to cruise in maximum comfort in the Caribbean. Easy to handle with a small crew, well maintained, offshore equipped, and ready to sail. Feel free to contact us for more information, HD photos, or to arrange a visit via WhatsApp or in person.
