Description

DAY ONE 65 – 120 Passenger Event Catamaran – Commercial Operation The **DAY ONE 65** is a new-generation catamaran designed for intensive professional use, combining robustness, optimized onboard flow, and high passenger capacity. Based in the **Montpellier region**, this model represents a rare opportunity on the high-yield event vessel market. Designed from the outset for passenger transport and commercial activities (excursions, private events, corporate use), this nearly **20-meter catamaran** offers an extremely stable, safe platform perfectly suited for daily operations. Her architecture maximizes onboard living space with a **178 m² deck**, ensuring smooth circulation and a premium guest experience. The smart layout between main deck and flybridge allows accommodation of up to **120 passengers**, making her ideal for large-scale events or high-turnover tourism activities. The **FLY configuration** provides dual operating areas: Main deck (88 pax) for catering, entertainment or service Flybridge (32 pax) for premium or VIP experience On the navigation side, the DAY ONE 65 combines reliable thermal

propulsion with **Volvo Penta engines (2 x 160 HP)** and an optimized sail plan, allowing flexible, efficient operation in various conditions. Built in 2023, this recent catamaran meets current safety and commercial standards (**passenger transport certification – TP**), with equipment designed for continuous use. A **revenue-generating business tool**, ready to operate immediately. **Main Specifications** Length: 19.75 m Beam: 9.50 m Draft: 1.70 m Capacity: 120 passengers Deck area: 178 m² Loaded displacement: 37.9 T Engines: 2 x 160 HP VOLVO PENTA Fuel capacity: 2 x 800 L Fresh water: 750 L Sail area: 180 m² Launch year: 2023 Flag / operation: France (La Grande-Motte) **Positioning & Potential** This DAY ONE 65 is ideally suited for: charter & excursion operators event companies premium tourism operations hospitality / beach club / sunset cruise projects Very few units on the market offer this **capacity / space / modernity ratio**.
