Description

LOXO 32 HB – 2023 – YAMAHA 150 HP
– HIGH SPECIFICATION

LOXO 32 HB, completed and launched in March 2023, under French registration.

This boat comes in a particularly comprehensive configuration, powered by a Yamaha 150 HP outboard engine with less than 100 engine hours to date (exact hours to be confirmed).

Lightweight, efficient and particularly easy to handle, the LOXO 32 was designed to offer fast and economical cruising, while providing genuine cruising capability with 4 berths, a spacious and sociable cockpit, and an extensive equipment list.

The Yamaha engine features DES electric steering, electronic controls and a Yamaha autopilot. The boat is also equipped with a bow thruster, making manoeuvring in marinas considerably easier.

MAIN EQUIPMENT

Engine & manoeuvring: Yamaha 150 HP outboard, Yamaha DES electric steering, electronic engine controls, Yamaha autopilot and bow thruster.

Navigation & electronics: FURUNO NavNet TZT3, FURUNO FM4800 VHF, Yamaha–Furuno NMEA 2000 interface allowing communication between the Yamaha engine system and Furuno navigation electronics.

Anchoring: Lewmar electric windlass, with control from the helm station, complete anchoring system with anchor, chain and rope.

Electrical system: 220 V shore power installation, battery charger, Victron battery monitor and solar panel providing additional autonomy at anchor, particularly for keeping the refrigerator running.

Galley: stainless-steel sink, ENO two-burner gas hob, 49 L refrigerator with 4 L freezer compartment and additional removable galley unit, finished to match the original galley.

Comfort: 4 berths, hot water, hot/cold cockpit shower, large bimini and cockpit with two settees and table, convertible into a sunbathing area.

Safety: semi-offshore safety equipment for 4 persons, including Plastimo Transocean ISO 9650-1 liferaft, 4 × 150 N hydrostatic lifejackets, fire extinguishers, horseshoe lifebuoy, distress flares and navigation/safety equipment.

VIEWING BY APPOINTMENT

The boat is available for viewing by appointment.

Sink

Description Of Kitchen Equipment

Galley equipped with:

Rectangular stainless-steel sink

ENO Hydra stainless-steel 2-burner gas hob

Indel-Webasto 49 L refrigerator, with 4 L freezer compartment

Integrated waste bin

This boat also features an additional removable galley unit, finished to match the original galley, with a cutlery drawer and a large lower drawer.

The co-pilot seat has been removed to accommodate this additional unit.

Hot water

Pressurised hot-water system with 20 L water heater, expansion tank and dedicated plumbing.

The system operates from the service battery and requires either the engine to be running or connection to the shore-power battery charger.

The cockpit shower therefore provides both hot and cold water.
