## Description

### LEOPARD 51 POWERCAT – 2017 – 4 CABINS – EX VAT – UK FLAG – VIEWING NEAR BARCELONA

This **2017 Leopard 51 Powercat** offers a particularly successful combination of the generous space of a large catamaran, the comfort of a motor yacht and excellent liveaboard capabilities for cruising.

With an **overall length of 15.40 m** and a **beam of 7.67 m**, it provides generous volumes both inside and throughout its exterior living areas. The layout features **4 cabins, 4 bathrooms and accommodation for 8 guests**, making it particularly suitable for family cruising, extended stays aboard or charter operation.

The yacht is powered by **twin Yanmar 370 HP diesel engines**, with approximately **2,200 engine hours**. It offers a **cruising speed of around 17 knots** and a maximum speed of approximately **24 knots**. With **2,130 litres of fuel capacity** and **700 litres of fresh water**, it provides comfortable autonomy for Mediterranean cruising as well as more ambitious cruising programmes.

One of the Leopard 51's major strengths is its excellent distribution of space. The spacious **flybridge** provides a genuine second outdoor living area, with helm station, large seating areas and an equipped outdoor galley area. The aft cockpit connects directly to the saloon through large sliding glass doors, while the forward deck provides an additional area for relaxing at anchor.

Inside, the panoramic saloon benefits from excellent natural light and incorporates a fully equipped galley. Each of the four cabins has its own private bathroom, providing privacy and comfort for guests.
