Description

FEELING 44 DI – 2007 – LIFTING CENTREBOARD – 3 CABINS

PRICE: €208,000 VAT INCLUDED – LOCATED IN VANNES (BRITTANY), FRANCE

ALLIAURA MARINE / KIRIÉ – VOLVO PENTA 55 HP – FRENCH FLAG – APRIL 2026 MARINE SURVEY

The Feeling 44 DI, built in 2007 by Alliaura Marine / Kirié, is a bluewater cruising sailing yacht renowned for its build quality, comfort and excellent seakeeping capabilities.

When first introduced, this model stood out for its elegant coachroof, conveniently positioned navigation station at the foot of the companionway, and bright, welcoming interior finished in light beech wood.

Its hydraulic lifting centreboard configuration, with a draught of 0.70 to 2.50 metres according to the inventory, allows access to shallow anchorages while retaining excellent offshore cruising capabilities.

The interior layout offers 3 cabins, 8 berths and 2 bathrooms.

CHARTER MANAGEMENT AND BERTH OPPORTUNITY

The yacht may continue operating under a charter management programme with a specialised management company.

This arrangement could also allow the new owner to benefit from a marina berth in Morbihan, southern Brittany, subject to continuation of the agreement with the management company and applicable conditions.

An attractive opportunity for a buyer wishing to combine private sailing, potential charter income and a berthing solution in Brittany.

TECHNICAL SPECIFICATIONS
